## LEARN **MORE** STUDENT ACTIVITY

Terrance is stumped. He wants to do chores to save money for college, but he doesn't know which chore will earn the most money. Can you help?

# SAVINGS STUMPER

Terrance could rake leaves for neighbors. He will earn \$10 for each yard he rakes. There are 5 yards.

How much money will he earn if he rakes leaves?

Terrance could take care of a friend's cat when she is on vacation. She will be gone for 13 days.

She will pay him \$3 each day.

How much money will he earn if he takes care of the cat?

Terrance could fold laundry for his mom. She will pay him \$0.50 for each item he folds. There are 90 items.

How much money will he earn if he folds laundry?

Which chore do you think Terrance should choose?

How can you save money for college? \_\_\_\_\_
